Substance Abuse and Mental Health Services Administration

Center for Substance Abuse Prevention; Notice of Meeting

Pursuant to Public Law 92-463, notice is hereby given of the meeting of the Drug Testing Advisory Board (DTAB) of the Center for Substance Abuse Prevention in August 1997.

The two-day scientific meeting will be to continue discussing alternative specimens and technologies of drug testing (i.e., hair, saliva, sweat, and non-instrument based on-site tests) as they apply to workplace drug testing programs. The entire meeting is open to the public; however, attendance by the public will be limited to space available. Therefore, it would be helpful if those planning to attend would pre-register by following Registration instructions below. There will be a very limited time for public comment during the meeting. Any individual desiring to make a formal comment should notify the contact person listed below before July 25.

The purpose of the meeting is: (1) To review the proposed principles and criteria associated with a forensic workplace drug testing program presented at the April 28-30, 1997, DTAB meeting and determine if those are the appropriate standards that any drug testing program needs to satisfy; (2) to review the information and scientific studies presented or submitted by the representatives of the alternative specimens and technology industries during and/or after the April 28-30 DTAB meeting, to determine their strengths and weaknesses, what criteria they satisfy, and what areas may need improvement; and (3) to make recommendations to assist these alternative specimens and technologies to satisfy the criteria.

An agenda for this meeting and a roster of board members may be obtained from: Ms. Giselle Hersh, Division of Workplace Programs, Room
